An object lessen of what may be very liable to happen during the open seasen for deer hunting, provided rifles are allowed to be used, occurred in this place recently. A. L. Frink had sold a pair of oxen to a man from another town. The purchaser and Mr. Frink's hired man were riding in a wagon driving the oxen ahead of the horse while on the road leading from Chestnut Hill to Pine street. The exen suddenly jumped ahead, the horse reared and a small sapling about three fourths of an inch in diameter was neatly cut off by a bullet. The bullet passed between the horse and oxen an instant later and the horse, or the occupants of the buggy would have been brought within range of the bullet which evidently came from quite a distance as no report was heard. Long range rifles are dangerous weapons even in the hands of skilful hunters. An object lesson of what may be ons even in the hands of skilful hunt
